and Jack Nicholson. The screenplay, written by Nora Ephron, is based on her novel of the same name, a semi-biographical account of her marriage to Carl Bernstein.

Heartburn (film) - Wikipedia

Maybe Nora Ephron should have based her story on somebody else's marriage. That way, she could have provided the distance and perspective that good comedy needs. Instead, she based "Heartburn" - first her novel and now her screenplay - on her own marriage. And she apparently had too much anger to transform the facts into entertaining fiction.
