Amazon.com: Customer reviews: Poker Workbook: Hand Reading ...

Hand reading is the essence of poker. It's what makes playing a challenge. It's what makes every pot a new puzzle. It's what makes the game sexy. In popular culture—television and movies, for instance—when we see poker hands, typically we see one improbably strong hand beat another. "Oh you've got four kings? Well I've got a royal flush!

Poker Workbook-Hand Reading Flashcards | Quizlet

But there is one skillset that you use in every single hand: hand reading. The ability to put your opponent on the correct range of hands is the skillset that makes all the difference. My goal, when I started creating these workbooks, was to help players like you develop your hand reading skill set through guided exercises. To help you work through the same repetitions that I did when I was growing as a player.
